

SEND A YOUTH TO THE 2023 EAA AIR ACADEMY

Chapter/Squadron EAA Air Academy Reservation Information

EAA Chapters have been at the heart of EAA Air Academy's success since it began in 1984. For many of the youth who have participated, it has become a stepping stone for their personal growth and development, as well as their appreciation for aviation. As the success of Air Academy has grown, it becomes more important than ever to make a reservation early. **Openings are filled on a first come, first served basis**, so to assure that your Academy candidate has the opportunity to attend, please follow the reservation procedures. Late reservations are placed on a waiting list in the order of date received.
