

ADS-B Only Arrival to be flown at 1,800' MSL and open when airport goes VFR (1,000' AGL ceilings and 3sm vis). Existing Fisk Arrival Operations are not permitted until ceilings reach 2,300' MSL or 1,500' AGL and 3sm vis.

New ADS-B Only Arrival Coordinates:

Waupun N43°38'44.57" & W88°44'14.47"

Railroad Tracks, north side of town, 241* and 12.54 nm to Ripon

Ripon N43°50'35.74" & W88°49'52.32"

Railroad Bridge over millpond in east central section of city, 44* and 9.41 nm to Fisk

Fisk N43°57'19.67" & W88°40'47.00"

Railroad Intersection at County Road Ff, ATC assigns runway

Recommend Waupun be added to existing Fisk Arrival to extend the time/distance arriving aircraft have to provide spacing. Also recommend the addition of the Beaver Dam Hold to provide another location and additional space to hold inbound aircraft when necessary.
